Social Media is for sending out information and receiving inquiries. Please do not use this as a complaint area. Getting in touch with Peta on 027 242 1442 or 03 548 9890 is the normal procedure and the same courtesy we would extend to our families.

We have a wide range of subjects taught at this studio. If it is a subject we teach, we expect students to participate in them at this studio. If the subject is not taught, then we have no objection to you learning in another studio. This is a reminder as the rule has been in place since the studio first opened. Peta Spooner Academy of Dance can be found on Facebook, Instagram and website [www.petaspooner.co.nz](http://www.petaspooner.co.nz)
